

OPAQUE (PAINTED) FINISH DOORS

General Information:

- VT offers an opaque finish on Flush and Stile & Rail doors
- VT can custom match to Sherwin Williams colors; all colors require a VT sample and Customer approval
- Other paint colors require a control sample, a VT custom sample and Customer approval
- Metal accessories are not painted to match through VT, color match options may be available and vary by supplier

Capabilities, Restrictions, Rules:

- Neenah and Two Rivers facilities only
- Quantity restrictions exist and can impact lead times

Aesthetic Grades:

- Premium grade with HDF/MDO
- Custom grade with closed grain hardwood veneer

Links to other resources:

- For more information regarding doors with split finishes, reference [Split Finish/Split Face Technical Bulletin](#) on the VT website
- For All Metal Stamping accessories, reference <https://www.ralcolor.com/> for RAL colors (Digital media may distort or misrepresent true qualities of the colors. For more exact color matching, please request a color sample from Sherwin Williams.)
- For NGP accessories, contact NGP directly for capabilities
