VIRGINIA HOME REMODEL

Spirit Home Buyers is a high-volume house flipper that regularly uses VT's CenterPointe Acacia Floating Shelves as part of their design.

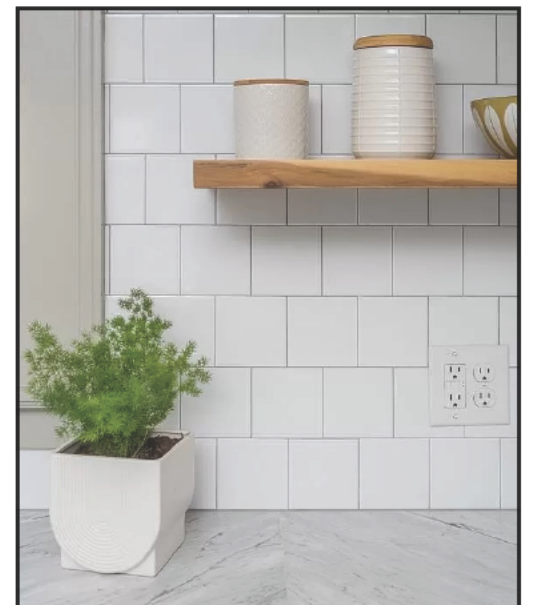

Located in downtown Staunton, VA, you'll find their most recent beautifully remodeled home. This historic and renovated home highlights its original character while incorporating the much needed modern updates. In the newly remodeled kitchen, you'll find VT's CenterPointe Acacia Floating Shelving kit that provides the perfect blend of functionable style to the space.
